## DIRECT DEPOSIT, ELECTRONIC WITHDRAWAL AND CHECK ORDERING INSTRUCTIONS

Follow the directions below to set up a direct deposit, electronic withdrawal, or to order checks. Directions are specific to which type of account you are depositing to or from.

### FOR DEPOSIT TO OR WITHDRAWAL FROM A SAVINGS OR PAYMENT TO A LOAN ACCOUNT

Use the following instructions to create your Direct Deposit Account Number:

Digit 1: Enter a 1 for any type of savings or a 2 for any type loan.

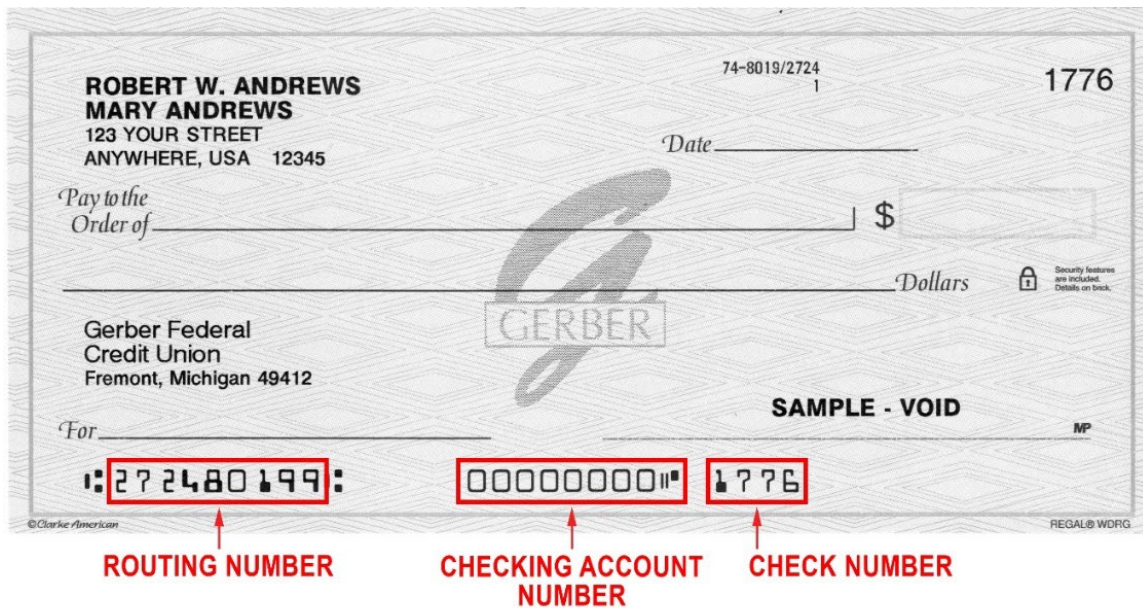

Digits 2 through 5: Enter the 4-digit share or loan number as shown in Web or Mobile Teller.

Digits 6 through 15: Enter your 10-digit member number. If your member number does not consist of 10 digits, add zeros to the beginning. For example, member #34567 should enter 0000034567.

### FOR DEPOSIT TO OR WITHDRAWAL FROM A CHECKING ACCOUNT OR ORDERING CHECKS

Use your Checking Account number found at the bottom of your checks (shown below). This number must be 8 digits, be sure to include the leading zeros.

*If you have never ordered checks, please contact Member Service for this information.*
