Celebrating 75 Years Together

A Tribute to Our Members, Volunteers, and Team

This year marks a truly special milestone for us: 75 years of proudly serving our membership. Gerber Federal Credit Union was founded in 1950 at the Gerber Products Company plant to meet the financial needs of local employees. Since then, we've grown into a full-service community credit union with over \$240 million in assets and more than 16,000 members. As we reflect on this incredible journey, we are filled with gratitude and admiration for the people who have made it all possible — our members, volunteer board members, and colleagues. This anniversary is not just a celebration of our history, but a tribute to the heart and soul of our credit union: the individuals who have been with us every step of the way.

At Gerber Federal Credit Union, we've always believed in people helping people. And over the past seven and a half decades, it's the people - not just the numbers - who have shaped our story.

To Our Members

You are the reason we're here. Your goals have been our goals since the beginning; buying that first car, opening a savings account for your kids, or navigating life's unexpected turns. Thank you for choosing Gerber FCU, for placing your trust in us, and for allowing us to be part of your financial journey. Every milestone we've reached is thanks to your continued support.

To Our Volunteer Board and Supervisory Committee

Your leadership has guided us through decades of change. You've given your time and insight to ensure our members' best interests are always at the heart of what we do. With care and commitment, you've helped shape the strong, stable credit union we are today. We are so grateful for your service.

To Our Colleagues

You are the heartbeat of Gerber FCU. Whether you've worked at the teller line, in a branch office, or behind the scenes, your dedication has made all the difference. The kindness you show, the relationships you build, and the integrity you bring to your work every day are what set us apart. Thank you for helping us serve our members with excellence and heart.

Looking Back – and Ahead

From our humble beginnings in 1950 to where we are today, we've grown together. We've faced challenges, celebrated wins, and remained rooted in our mission to improve the financial well-being of each member. And while we're proud of how far we've come, we're even more excited about where we're going.

As we look toward the future, our commitment remains the same: to serve our members and communities with integrity, compassion, and care — just as we've done for the last 75 years.

Thank you for being part of this journey. Here's to many more years, together.
